

Speech and Language

Welcome Back!

I hope everyone had a great summer! I think I've met most of you, but I wanted to take a minute to introduce myself and tell you a little about me. My name is Nan Aycock, and I live in Reevesville with my husband and daughter. We have a dog, two cats, and four chickens (hoping one day we can add a few goats and a donkey)! This is my 12th year as a speech-language pathologist. Prior to becoming a speech pathologist, I was a classroom teacher, teaching 1st grade and kindergarten. I received a Bachelor's degree in Elementary Education from The College of Charleston, and earned a Master's degree in Special Education from the University of South Carolina as well as a Master's degree in Speech Pathology and Audiology from South Carolina State University.

As you are aware, your child will be receiving speech and language therapy services as stated in their Individualized Education Plan (IEP). I am working on finalizing a schedule, so we should settle into a "Speech" routine soon. The best way to contact me is through email (naycock@dd4.k12.sc.us), or through the Remind app (instructions are below). You can also access my email through the school's webpage. Please let me know if you would like ideas for additional home practice of skills learned during our therapy sessions. This is a great way for you to be actively involved in the improvement of your child's speech and language skills.

Please feel free to contact me if you have any questions or concerns. I look forward to working with you and your child this school year!

Sincerely,

Nan Aycock, MA, CCC-SLP

Speech-Language Pathologist
