Mt. Vista is a "B" School

The Arizona Department of Education released school letter grades based on student achievement data, attendance data from the 2024-2025 school year and we received our third "B" rating in a row. We are proud to be a highly performing school and we continue to work towards earning an "A" grade level this year!

Attendance Matters

We are proud to share that our average daily student attendance is improving! We encourage our students and families to continue to make consistent attendance at school a priority. We also ask families for their support as decrease tardies too. Thank you for your support!

Trabajamos en asociación con los distritos escolares trayendo al ambiente escolar, como internos, Pasantes de Trabajo Social o un campo relacionado para así reunirse con los estudiantes. Esto proporciona un ambiente que es cómodo y conveniente para los estudiantes, padres, maestros y administradores escolares. Los servicios se brindan individualmente y/o en un entorno grupal según la oportunidad y pueden ocurrir en persona o virtualmente. Este programa es parte de nuestro compromiso continuo de ayudar a todos los estudiantes a alcanzar lo mejor de sí mismos.
