

Section VII: Staff Performance - Previous Year Results & Current Year Performance Targets

(Section VII is required; metrics should be aggregated by grade and subject, as appropriate)

Important Note: Data should only be provided in the 2023-24 RESULTS column for groups of teachers / staff of 5 or more who use the same assessment tool. If your teacher / staff group is fewer than 5, please enter "n size" in the 2023-24 RESULTS column.

Instructions: Identify the staff group using the Grade(s) and Subject(s) fields. Note that all staff in a group should use the same assessment tool, which you should identify. Provide the 2023-24 Performance Target for that group, as identified in your LEA's 2023-24 CIP. If you did not set a target for that group last year, enter "Not Available." Provide the 2023-24 Results for the group (provided the group is 5+). Then use the far right column to set a 2024-25 Performance Target (goal) for the % of students in that group who will meet their target in the 2024-25 school.
