Highlights from Letters to Power 88

- My life had been a roller coaster of relationships, drinking & mostly drugs. When I accepted Jesus Christ into my life I had to change radio stations because (it's true) old songs bring back old memories. I'm glad that your team is so positive and informative. My children and I will continue to support this station because of the positive emotionally uplifting message you bring.

Underwriters help support Christian Radio

If Christian radio has made a difference in your life and you do not have a means of helping support the station financially, there are 2 other important things you can do:

1. Keep us in your prayers that God may use this radio ministry for His glory.
2. Support a business that underwrites. Thank them for their donation to help support local Christian radio and use their services when possible.
